Contents

Volume 11 Number 1 February 1998

1 *J. T. Woolner, T. J. Parker, G. A. Kirby and J. O. Hunter.* The development and evaluation of a diet for maintaining remission in Crohn's disease

13 *R. C. Minnis, I. U. Haq, P. R. Jackson, W. W. Yeo and L. E. Ramsay.* Oily fish and fish oil supplements in the prevention of coronary heart disease

21 *A. Saba and R. Di Natale.* Attitudes, intention and habit: their role in predicting actual consumption of fats and oils

33 *H. F. Crawley and C. D. Summerbell.* The nutrient and food intakes of British male dieters aged 16–17 years

41 *F. Bryan, J. M. Jones and L. Russell.* Reliability and validity of a nutrition screening tool to be used with clients with learning difficulties

Review

51 *J. P. Penman and M. Thomson.* A review of the textured diets developed for the management of dysphagia

Case study

61 *E. G. Waller.* Feeding problems in a child with cerebral palsy

67 Erratum

71 Current Literature

Volume 11 Number 2 April 1998

85 *T. K. Beattie and A. Anderton.* Enteral feeding tube guidewire—another factor in the retrograde contamination of enterel feeding systems?

95 *I. J. Skypala, F. A. Ashworth, M. E. Hodson, C. H. Leonard, A. Knox, E. J. Hiller, S. P. Wolfe, J. M. Littlewood, A. Morton, S. Conway, C. Patchell, P. Weller, H. McCarthy, A. Redmond and J. Dodge.* Oral nutritional supplements promote significant weight gain in cystic fibrosis patients

105 *G. M. Bonner and J. M. Warren.* A review of the nutritional management of chyle leakage in adults

© 1998 Blackwell Science Ltd

115 *C. E. Macqueen and G. Frost.* Visual analogue scales: a screening tool for assessing nutritional need in head and neck radiotherapy patients

125 *U. Wissing, M. A.-C. Lennernäs, A.-C. Ek and M. Unosson.* Monitoring of dietary quality in outpatients by qualitative meal classification method

135 *G. Turrell.* Socioeconomic differences in food preference and their influence on healthy food purchasing choices

151 *F. Mathews and H. A. W. Neil.* Nutrient intakes during pregnancy in a cohort of nulliparous women

163 *L. Haynes.* Nutritional support for children with epidermolysis bullosa

175 Book Review

179 Current Literature

Volume 11 Number 3 June 1998

189 *A. Dobson.* Moving towards evidence-based practice

191 *G. Cowburn and C. Summerbell.* A survey of dietetic practice in obesity management

197 *C. Grace, C. Summerbell and P. Kopelman.* An audit of dietary treatment modalities and weight loss outcomes in a specialist obesity clinic

203 *S. O'Meara, A.-M. Glenny, T. Sheldon, A. Melville and C. Wilson.* Systematic review of the effectiveness of interventions used in the management of obesity

207 *R. Jung.* Abstract. An evolution for obesity—SIGN guideline

209 *C. D. Summerbell, L. V. Jones and P. Glasziou.* The long-term effect of advice on low-fat diets in terms of weight loss: an interim meta-analysis

219 *S. A. Jebb and G. R. Goldberg.* Efficacy of very low-energy diets and meal replacements in the treatment of obesity

227 *L. Rapoport.* Integrating cognitive behavioural therapy into dietetic practice: a challenge for dietitians

239 *M. Thorogood.* Combining diet with physical activity in the treatment of obesity

243 *E. L. Harvey, A.-M. Glenny, S. F. L. Kirk and C. D. Summerbell.* Effective professional practice: protocol for a systematic review of health professionals' management of obesity

249 *J. Ogden and R. Hoppe.* Changing practice nurses' management of obesity

259 Current Literature

© 1998 Blackwell Science Ltd

Volume 11 Number 4 August 1998

273 *British Dietetic Association* Position Paper. Dietary treatment of people at high coronary risk

281 *P. J. Kearney, A. J. Malone, T. Hayes, M. Cole and M. Hyland.* A trial of lactase in the management of infant colic

287 *K. Laiho, O. Nuutinen, M. Malin and E. Isolauri.* Crohn's disease affects diet and growth in children

295 *S. J. Adams.* The dietary intake of people with non-insulin-dependent diabetes (NIDDM): how valid is self-reported intake?

307 *E. R. Gilmour and C. Glencorse.* Parenteral nutrition. Do dietitians have a role? Results of the Parenteral and Enteral Nutrition Group survey

313 *T. K. Beattie and A. Anderton.* Bacterial contamination of enteral feeding systems due to faulty handling procedures—a comparison of a new system with two established systems

323 *J. Ward, J. Close, J. Little, J. Boorman, A. Perkins, S. J. Coles and J. D. Edington.* Development of a screening tool for assessing risk of undernutrition in patients in the community

331 *K. E. Charlton, P. Wolmarans and C. J. Lombard.* Evidence of nutrient dilution with high sugar intakes in older South Africans

347 Current Literature

Volume 11 Number 5 October 1998

363 *S. Bradley and R. Shinton.* Why is there an association between eating fruit and vegetables and a lower risk of stroke?

373 *C. H. Bodner, A. Soutar, S. A. New, A. R. Scaife, M. Byres, G. D. Henderson, K. Brown and D. J. Godden.* Validation of a food frequency questionnaire for use in a Scottish population: correlation of antioxidant vitamin intakes with biochemical measures

381 *A. Daly, A. MacDonald and I. W. Booth.* Diet and disadvantage: observations on infant feeding from an inner city

391 *S. J. Taylor and S. B. Fettes.* Enhanced enteral nutrition in head injury: effect on the efficacy of nutritional delivery, nitrogen balance, gastric residuals and risk of pneumonia

403 *N. Cooper.* Audit in clinical practice: evaluating use of a nutrition screening tool developed for trauma nurses

411 *D. R. Goudge, A. Williams and L. L. Pinnington.* Development, validity and reliability of the Derby Nutritional Score

© 1998 Blackwell Science Ltd

423 *M. Holdsworth and C. Haslam.* A review of point-of-choice nutrition labelling schemes in the workplace, public eating places and universities

449 Current Literature

Volume 11 Number 6 December 1998

461 *M. A. Taylor.* Evidence-based practice: are dieticians willing and able?

473 *S. Drummond and T. Kirk.* The effect of different types of dietary advice on body composition in a group of Scottish men

487 *N. Beckles Wilson, C. J. Taylor, S. Ghosal and M. Pickering.* Reducing pancreatic enzyme dose does not compromise growth in cystic fibrosis

493 *C. H. Leonard, C. Ross-Wilson, A. R. Smyth, J. Polnay, S. P. Range and A. J. Knox.* A study of a single high potency multivitamin preparation in the management of cystic fibrosis

501 *E. Cornish.* A balanced approach towards healthy eating in autism

511 *E. Hitchings and P. J. Moynihan.* The relationship between television food advertisements recalled and foods consumed by children

519 *J. Silagyi-Rebovich, G. Brooks and E. Peterson.* Efficacy of an assessment instrument to measure affective and cognitive learning domains of students enrolled in food or nutrition courses

Case study

529 *D. C. Campbell, D. M. Tole, R. M. L. Doran and S. P. Conway.* Vitamin A deficiency in cystic fibrosis resulting in xerophthalmia
